

# How SSDI/SSI Support Work and Debunking Fears

\* There are many myths about how working affects SSDI/SSI benefits and health care coverage. The biggest worry may be that you'll lose your benefits, and the thought of how to get them back if you stop working. We want to tell you the fact about these myths so that you can start or go back to work without worrying about losing your benefits and provide you with informed choices.

**Tuesday, July 12 from 10:00 - 11:30 A.M.**

**San Francisco Department of Rehabilitation (DOR)  
Virtual Presentation on Zoom—Preregistration is  
required : [https://dor-ca-gov.zoom.us/webinar/
