### Participating Employers:

AND MORE!

Biocom California Institute is a 501(c)(3) organization established in 2008 by Biocom California, the advocate for California's life science industry. Our mission is to develop and promote a skilled and diverse pipeline of talent to accelerate the growth of California's life science ecosystem.

NOVAworks is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. NOVAworks' Biocom Life Science Fellowship is 100% funded by the U.S. Department of Labor through awards totaling \$10,850,000
